

ENJOY LEARNING GERMAN AT THE GERMAN-POLISH BORDER!

When: May 26th – July 2nd, 2015

Where: Frankfurt (Oder)

Deadline: March 30th 2015

European University Viadrina offers an intensive six-week-long language course (as an equivalent of one academic year) of advanced German language instruction in Frankfurt (Oder) on the German side of the Oder river.

The course will be taught by a professional experienced instructor from academic environment. According to the participants' profile, the course will be instructed at intermediate or advanced level. There will be only small classes so that the instructors can react to each student needs individually. The classes will be from Monday to Thursday in a regular time every week.

The intensive German language course will be an integral part of Viadrina summer school "Contact Zones in Central Europe".
